

The Sixth International Symposium on Informatics and its Applications
Mohamed Boudiaf University of M'Sila, Algeria
December 10th-11th, 2024

After the success of five previous editions of ISIA symposium, ISIA 2022, ISIA 2020, ISIA 2018, ISIA 2016 and ISIA 2014, the Computer Science Department of Mohamed Boudiaf University of M'sila (Algeria) organizes the sixth edition of this symposium (ISIA'24) during December 10-11, 2024. The 6th International Symposium on Informatics and its Applications will provide an exciting opportunity for researchers and practitioners to share ideas and experiences in different topics of computer science and their applications. The Symposium looks for significant contributions to all major fields of computer science in theoretical and practical aspects.

TOPICS

- Artificial Intelligence (AI) and Machine Learning (ML)
- Data Science and Big Data
- Computer Networks
- Human-Computer Interaction (HCI)
- Software Engineering
- Databases and Information Retrieval
- Cybersecurity
- Computer Graphics and Visualization
- Robotics
- Bioinformatics

Honorary General Chair

Pr. Amar BOUDELAA, Rector of Mohamed Boudiaf University of M'sila

Vice Honorary General Chair

Pr. Brahim NOUIRI Mustapha, Dean of the Mathematics and Computer Science Faculty
