3. Preparation of the article:

To speed up the publication of articles in the « **sports creativity Review** »,

We invite authors to use the journal template. A template for authors is available in the “instructions for author” section to insert their articles.

Authors can download the template from the “instructions for author” section, where they can access this by visiting:

[Http://www.asip.cerist.dz/en/PresentationRevue/316](http://www.asip.cerist.dz/en/PresentationRevue/316)

Then click “**Instructions for author**” on the left side of the screen.

4. Send the article

After preparing the article according to the template of the journal that was downloaded, and see the author’s guide, the “**Send Article**” icon is clicked. An application form containing the various data for the article and authors appears: Language of the article, Paper title, Abstract, Keywords, Full name for author, Institution, Email, (A second author can be added), proposed of reviewers.

After filling out all the data and uploading the article file on the platform, clicked the “**Send Article**” icon at the bottom of the information form.

5. Notification of Receipt an Article

If the article submission process is successful on the platform, a message appears on the screen showing that. At a certain stage, the author in his email as a confirmation of participation in the article.

6. Notice of Rejection of the article:

If it turns out that, the article does not respect the template of the journal and the conditions of publication. The author will be notified that the article has been rejected.

7. Evaluation of the Article:

7.1. First step: Examine the article secretly at the level of the reading committee of the journal, which meets regularly and intervenes in the per-evaluation stage. The committee takes a decision to qualify the articles before sending them to the assistant editors. If the decision is negative, the article will be rejected on the platform and informed the author the reason for the rejection. The author can resubmit it taking into account the recommendations made;

7.2. Second step: In the event that the article is eligible for the evaluation (prepared according to the journal template and under the terms of publication), it will be sent in an encrypted state to the specialist Associate Editor, who in turn will submit it to two reviewers on its network. The reviewers will be responsible for judging the paper according to a standardized evaluation form available on the ASJP platform.

Note: The Associated Editor can also evaluate the article if the desired. The secretary Journal provides the link between the authors of the articles and the Associated Editorials.

8. Status of Articles Evaluation:

When the draft article receives a positive opinion and another negative, a third assessment is requested from another reviewer, taking into account its origin, nationally or internationally.

9. Accepting the article for publication and Integration of complete references:

After accepting the article, the author receives notification, after which he must log into his account on the platform and include the approved references in the article in accordance with the framework specified by the Algerian platform of scientific journals ASJP by following the following steps:

- Click on the "**Articles**" icon, then on the "**Accepted Articles**" icon, a table will appear for you with the details of the article (**title, date of submission, name of the journal, details of the journal, references**)

- Start the reference entry process, press the "**References**" icon, then the "**Add a reference**" icon;

- The type of reference must be determined according to the list of options offered to you (**essay, conference, thesis, book, Web page, etc.**);

- After clicking on **the type of reference**, you must fill in all the related information that appears on the screen, then click on the Add icon, and so on until all the references listed in the article are completed;

If the author is not able to enter all the references in time and leave a part of them for another time, he presses the "**Save**" icon to end where he left off;

- If he completes the process of listing all references and is sure of it and in a correct manner, then he presses the "**Finish**" icon, and the process is finished (**do not click the Finish icon unless you have included all references**).

By this, it appears to the editor in chief that you have completed the process of inserting the references in order to ensure their accuracy and conformity with the article references.

After being accepted by the editor, the article can be scheduled, and if it is incorrect and not the same as what is in the article, the editor rejects it and the process is repeated.

10. sending the undertaking:

Once the article has been accepted for publication by the editor in chief, the author must send a copy of a signed letter of commitment which can be with drawn then completed and sent to the journal on the e-mail address of the publisher or journal e-mail address (the commitment form is included in the author's guide documents).
